## IM HASHACHAR

Im hashachar im haor.  
Na'ale el har hamor  
Tzilil chalil  
Ugedi nechmad  
Lach avee min hagil'ad.  
Ve'eem lemoav nelech  
Ba'arnon erchatz raglech.  
Im titzmaee lach eten  
Bagavia mey yarden.

With the dawn, with the light  
We will ascend the hill of myrrh.  
A sweet sounding flute  
And a lovely kid  
I will bring to you from Gilead.  
And if to Moab we should go,  
I shall wash your feet in the Arnon Spring.  
If you should thirst, then I shall bring  
A goblet of Jordan's water to drink.
