

QUIRL

German Novelty Mixer

Record:- Any good march record

Formation:- Couples in hip shoulder position in two circles; all couples in one circle facing CW, and all couples in the other circle facing CCW.

Dance Pattern:- All couples walk forward 16 steps. Every couple find another couple and form a back basket with the opposite couple. Buzz step for 16 counts CW.

Break the basket hold, take the OPPOSITE partner, and begin the dance all over again with this new partner.

As the new couples form, every couple walks in direction in which the man started the dance.
